

Sonexa

Silence, in every soft form.

Hearing protection and ear-care products designed and
manufactured in Sweden, engineered around one number — SNR.

11

Products

37 dB

Max SNR

3

Series

SE 

Made in Sweden

Silence is a science. We bottle it.

Every Sonexa plug is rated by SNR — the one number that tells you how much of the world it turns down. Choose your series, choose your moment, from deep sleep to the loudest concert.

01 **Made in Sweden** 
Every product manufactured domestically.

02 **Premium Quality**
Manufactured to international quality standards.

03 **R&D-Led**
Continuous research shapes every new profile.

04 **Natural Materials**
Safe, natural materials wherever the product allows.

05 **Full Range**
From single-use foam to reusable silicone and wax.

06 **Fast Fulfillment**
Orders shipped promptly from stocked inventory.

Everyday quiet, by the box.

Daily Protection, Max Comfort and our Premium Hearing iHear line
— foam formats for every shift, sleep, and commute.

Daily Protection — Original

Foam, natural tone. Everyday wear, all-day comfort.

EP1X-UC / EP2X-UC (S/L)

Daily Protection — Discreet

Foam, low-profile shade for a barely-there look.

EP1X-UC / EP2X-UC (S/L)

Daily Protection — Cool

Foam, cool tone. Same seal, a fresher shade.

EP2X-UC

Max Comfort — Sleep

Ultra-soft foam shaped for side-sleepers.

EP5-UC

Max Comfort — Maxi

Larger foam profile for maximum cushioning.

EP5-UC

Premium Hearing — iHearu

Premium foam, our highest SNR in the series.

EP4-UC

Reusable, reshapeable.

Soft silicone and classic wax — moldable formats built for repeat wear and a custom fit.

SILICONE & WAX COMFORT LINE

Soft Silicone

Moldable silicone that reshapes to any ear, reusable.

MEP11

Classic Wax

Pure beeswax blend, softened by body heat for a custom seal.

MEP2

Children's Silicone

Soft silicone plugs for small ears, safe for bathing.

MEP1S

Built for motion.

Eargo high-comfort, Flying pressure relief, and Multi-Use swim & music formats — for life away from the pillow.

ADVANCED & TRAVEL PROTECTION

Eargo Series

High-comfort ergonomic shell for long, active days.

RP5S / RP5L (S/L)

Flying Series

Pressure-relief venting for takeoff and landing.

RP9S / RP9L (S/L)

Multi-Use Series

Swim-sealed and music-tuned for water and sound alike.

RP1S-C / RP1L-C (S/L)
